

Consider the benefits of joining the Wanneroo Business Association

The WBA aims include:

- The exchange of business and trading knowledge between members.
- To act as a representative body in all matters that may affect businesses at either a local, state or federal level.
- To work with all government bodies and organisations to improve business conditions and opportunities.
- Enhance business conditions in the City of Wanneroo and promote a favourable image of the region.
- To provide networking opportunities and social activities for members.

Benefits to WBA members include:

- Regular member meetings, allowing networking opportunities and information from key speakers on a range of subjects.
- A business resource where you can go for business advice and assistance either directly or by referral.
- The development of a website to promote local trade and businesses as well as keeping members and the community informed of WBA activities and issues.
- A periodical quality newsletter, including business information and member profiles.
- An Association that will work closely with the City of Wanneroo to address local issues and implement initiatives to promote and develop business opportunities.
- An Association that has affiliation with state and national small business councils enabling input to the development of government policy that impacts on small business owners.
